SUPPLEMENTARY INFORMATION: The NOAA Science Advisory Board (SAB) was established by a Decision Memorandum dated September 25, 1997, and is the only Federal Advisory Committee with responsibility to advise the Under Secretary of Commerce for Oceans and Atmosphere on strategies for research, education, and application of science to operations and information services. SAB activities and advice provide necessary input to ensure that National

Oceanic and Atmospheric Administration (NOAA) science programs are of the highest quality and provide optimal support to resource management.

STATUS: The July 22-23, 2020 meeting will be open to public participation with a 15-minute public comment period at 4:45-5:00PM EST on Wednesday, July 22. The SAB expects that public statements presented at its meetings will not be repetitive of previously submitted verbal or written statements. In general, each individual or group making a verbal presentation will be limited to a total time of three minutes. Written comments for the July 22-23, 2020 meeting should be received in the SAB Executive Director's Office by July 7, 2020 to provide sufficient time for SAB review. Written comments received by the SAB Executive Director after this date will be distributed to the SAB, but may not be reviewed prior to the meeting date.

SPECIAL ACCOMMODATIONS: This meeting is physically accessible to people with disabilities. Requests for special accommodations may be directed to the Executive Director no later than 12 p.m. on July 7, 2020.
